Summary

As a cybersecurity enthusiast, I bring a solid foundation in ethical hacking and a commitment to learning. Eager to apply my skills in risk management and incident response to contribute to the security of digital environment.

Education

Bachelor's Degree in Computer Science

Pillai HOC College of Arts, Science and Commerce • Rasayani, Maharashtra

06/2024

Certificates

Introduction to Cyber Security - Cisco (2024), CNSP - SecOps (2024), CEHv12 - EC-Council (2024), CEHv12 - Simplilearn (2024), Ethical Hacking Essentials (EHE)- EC-Council (2024)

Skills

Nmap, Metasploit, Wireshark, Nikto, Burp Suite, Social Engineering toolkit, Ettercap, Kali Linux, VA-PT, OWASP Top 10, Gray Hat

Experience

Cyber Security Intern

Academor • Bangalore, Karnataka

08/2023 - 10/2023

- Using VM.
- Creating and deploying exploit for Windows in Metasploit Framework.
- Exploring tools like Nmap, Ettercap, Wireshark, Aircrack-ng, Metasploit.
- Creating and Analyzing Phishing links.
- Zaproxy for analyzing websites.
- Session Hijacking.

Self Study Experience

- Port scanning using Nmap
- Exploiting Windows 7 and 8 with Metasploit
- OSINT
- Price Tampering using Burpsuite
- Payment Gateway bypass using Burpsuite
- Surfing Deep & Dark Web
- Packet Analyzing using Wireshark
- Creating an Evil Twin attack using Node MCU ESP8266(Wi-Fi Hacking).
